	Total No of Bulker	136	43	45	48

Note

1. The above allocation is tentative only and the allocation may change depends on Unit generation /ash availability at NTECL / availability of evacuation system / or for any other reason for which NTECL is not having direct control.

2. The vehicle with the trip requisition slip with authorised signatory only will be permitted on the above series as pro-rotas basis of allotted quantity.

3. If bulkers were not reported on time other eligible buyers will be allowed

4. The bulkers will be permitted on availability of advance amount submitted to NTECL

5. Bulkers will be permitted inside the plant premises for ash loading drivers with valid licence and compulsory with a helper.

6. All bulker vehicles to report strictly at the assigned slot time at the silo gate. Avoid parking in advance, surrounding the silo gate.

(Note: Age limit for driver and helpers 60 years)

New

7. And all vehicles should be fitted with reverse horn for ensuring safety in plant premises.

8. All drivers must bring their own “safety belt” for usage in silo area
